5 years ago

The finalists are announced for the 2022 Kimberly-Clark Professional™ Golden Service Awards recognising excellence, performance and commitment through unprecedented times in the cleaning and FM industry.

Tipped by many as the 'Oscars' of the cleaning industry, these awards are the pinnacle accolade - therefore many congratulations go to 59 finalists from 24 companies, with the list of well-deserved finalists also available at www.goldenserviceawards.co.uk.

The announcement follows the first stage of judging carried out independently by The British Institute of Cleaning Science (BICSc).
