

## Pioneer FM secures significant new business since relaunching

4 years ago

Since Educlean's relaunch as [Pioneer FM](#) in September 2021 this fast-growing company has secured over £500,000 in new business.

This includes a three-year contract to provide the cleaning and associated services at Daresbury Laboratory for the Science and Technologies Facilities Council, a contract with Digme Gyms for the daily cleaning at their six London gyms and Backyard Cinema, also in London.

Mary-Jane Pettit, Chief Executive Officer, of [Pioneer FM](#) said: "As part of our partnerships, we will be striving to utilise the best innovations, equipment, and materials on the market. We're also proud to be introducing chemical-free cleaning to our new customers, reflecting our sustainability commitment at every turn.

"Fundamental to all of this is the cleaning operatives who will be delivering our services – and we welcome these Pioneers into our family. We are a people-first company, and there's no better feeling than knowing this ethos aligns closely with that of our new partners. These are exciting times."

[Pioneer FM](#) will bring its approach to People, Partnerships, and Planet to all contracts, with a commitment to local employment and paying the Real Living Wage, joint audits using their market-leading audit software and the introduction of chemical-free cleaning systems and battery-powered equipment.

Holly Stockbridge-Hodgson, Partnerships Director at [Pioneer FM](#) said of the Daresbury Campus win: "2021 was a really important year for Pioneer FM. Following a successful rebrand, we have secured new business and built a healthy pipeline. We have started 2022 with new contracts and achieved the JOSCA accreditation. The team and I are very excited for the year ahead."

Pioneer FM is a Real Living Wage employer and is ISO9001, ISO14001, ISO45001, CHAS, Safe Contractor, Prompt Payment Policy, and JOSCA approved.
