

## PTSG announces new ISO certification

4 years ago

Premier Technical Services Group Ltd (PTSG) is proud to announce it has achieved new ISO certifications following a recent audit.

PTSG Water Treatment Ltd worked closely with auditors over two days. The objectives were:

- to confirm that the management system conforms with all of the requirements of ISO 9001:2015, ISO 14001:2015;
- to confirm the Scope statement; represents the organisation's certified activities on the Certificate of Registration; to confirm that the organisation has effectively implemented ISO 9001:2015, ISO 14001:2015;
- to confirm that the Management System is capable of achieving the organisation's policies and objectives; and
- to review links between the internal audits, management reviews and continuous improvement.

Upon conclusion of the audit, PTSG passed with no non-conformances or opportunities for improvement.

PTSG is the UK's leading provider of specialist services to the construction and FM sectors and operates five independent business divisions, PTSG Water Treatment limited being the newest.

There is currently has a full ISO programme of auditing and accreditation, which is being rolled out throughout the Group between February and June 2022.
