The Facilities Industry Charity Boxing Night Black Tie Dinner will be the 7th annual event organised by ThisWeekinFM.com. See [2019's review here](#).

Set to be a complete sell-out with almost 400 guests attending, including Property Owners and Occupiers, FM companies as well as Property Managing Agents. Who typically registers to attend? See previous [attending Companies here](#).

With a champagne reception, three bouts of top class boxing and a delicious three-course dinner, this event is not to be missed.

An exclusive venue in Central London will provide the perfect environment to put your guests at ease with exquisite cuisine and fine wine in impressive surroundings. And all whilst remaining just feet away from spectacular live action!

Altogether a unique experience, which means your clients will remember the occasion – and you, their host – for a long time to come!

Tables are booked well in advance, so be quick and don't miss out on a fantastic night of Sport and Networking.

*This event is by no means restricted to the men of the office. Everyone is most welcome and plenty of women were in attendance at last year's event.*
