

Morgan Sindall Property Services Appoints Mark Whittam As Regeneration Director

4 years ago

Morgan Sindall Property Services (MSPS) has announced the appointment of Mark Whittam as Regeneration Director.

Mark was previously Divisional Director at Engie UK & Ireland where he oversaw an operational division delivering capital works programs for Local Authority and Housing Associations across London and the South East. His addition to the company brings a wealth of experience and knowledge across planned, regeneration and retrofit markets.

Mark's appointment reflects the company's new offering around regeneration, building safety and decarbonisation.

Alan Hayward, Managing Director, Morgan Sindall Property Services said: "I'm delighted to welcome Mark to the business. His appointment will help drive forward our proposition in the market ensuring it supports our clients regulatory and environmental commitments and deliver positive outcomes for people and the communities we deliver our services to."

Mark Whittam, Regeneration Director, Morgan Sindall Property Services added: "It's an exciting time to be joining Morgan Sindall Property Services and now more than ever the regeneration of our communities is really important as we help the UK to Build Back Better. I look forward to working with Alan, the team and supporting our clients as we strengthen and grow in the years ahead."
