3 years ago

[Premier Technical Services Group Ltd \(PTSG\)](#) has been contracted to deliver specialist electrical services at HMP Parc in South Wales.

This is a Category B men's private prison and Young Offenders Institution in Bridgend, Mid Glamorgan. Parc Prison is operated by G4S, and is the only privately operated prison in Wales. The facility holds Remand and Sentenced Category B Adult males, juveniles and young offenders. It has ten different wings consisting of eight main wings and two YPU wings. Prisoner accommodation is made up of a mix of single cells and double cells.

Engineers from [PTSG Electrical Services Ltd](#) are carrying out a test and inspection of the lightning protection system in place at the facility.

A routine annual test and inspection of lightning protection systems are required by law and are carried out by the Group's specialists, who are also qualified and equipped to undertake all repairs required. In addition, they design and install bespoke systems as well as standard systems for clients in all sectors, making PTSG the UK's leading provider of lightning protection services.
