

## PTSG lands contract at Norwich Airport

4 years ago

Premier Technical Services Group Ltd (PTSG) is providing specialist electrical services at Norwich Airport, East Anglia.

Norwich Airport is a small international airport in Hellesdon, Norfolk, four kilometres north of Norwich. In 2017, it was the 28th busiest airport in the UK and busiest in the East Anglia region.

The airport has one runway (designated 09/27), 1,841 m (6,040 ft) in length. A smaller 1,285 m (4,216 ft) runway (designated 04/22) was closed in 2006, and is now used as a taxiway (south of Runway 09/27) and parking area for decommissioned aircraft (north of Runway 09/27). The airport has nine parking stands for commercial aircraft.

# WATER CLEANSERS

Our Water Treatment engineers are amongst the most experienced in the industry, combining specialist skills with the latest cutting-edge equipment. We are a trusted partner to our clients, delivering water hygiene, treatment and remedial services.

Aurigny, BH Air, Blue Islands, KLM, Loganair and TUI Airways operate regular scheduled and charter services to and from Norwich Airport.

Engineers from PTSG Electrical Services Ltd are carrying out repairs to the lightning protection system in place at the facility.

A routine annual test and inspection of lightning protection systems is required by law and carried out by the Group's specialists, who are also qualified and equipped to undertake all repairs required. In addition, they design and install bespoke systems as well as standard systems for clients in all sectors, making PTSG the UK's leading provider of lightning protection services.
