

Ward secures contract at Reading International Business Park

3 years ago

Ward is delighted to announce that it has secured a contract to provide security services at Reading International Business Park.

The contract will see Ward providing customer experience officers to the site 24/7, 365 days a year. Ward will be working in partnership with Savills to ensure the best customer service is delivered alongside providing a safe environment for all clients and visitors to the Campus.

The Business Park spans over 375,000 sq. ft and consists of dynamic, intelligent and wellness focused workspace including multi tenanted corporate offices. A future-proofed, sustainable office environment designed to promote wellbeing and nurture the ethos of collaboration.

Bruce Anderson, Regional Manager West at Ward, comments: "Myself and the team are looking forward to working with the Campus Team and Keith Feesey on this prestigious contract. By working closely together will ensure we're delivering the most streamlined, effective security and guest experience services possible."

Dan Liddiard, Operations Director at Ward, adds: "This is such a great achievement for us and we're really looking forward to getting started. The Business Park holds sustainability, diversity, and wellbeing of high importance, similar to Ward, so this partnership was a natural fit. Working collaboratively with Keith Feesey and his team means we can ensure the needs of the campus are always met and that we're delivering the very best security services."
