

PTSG cherry-picked for work at special school

3 years ago

[Premier Technical Services Group Ltd \(PTSG\)](#) has been contracted to provide specialist electrical services at a special school in south-east London.

Cherry Garden School is an outstanding special school for pupils aged 2-11 years, who have severe learning differences, complex needs and autism.

Having moved into a brand-new building in the heart of Peckham in January 2019, the school provides a range of unique enabling environments, both indoor and outdoor, which are used to maximise learning opportunities and meet pupils' specific needs.

Its experienced and dedicated staff team are committed to providing holistic, individualised learning through fun and engaging activities/lessons. They work in partnership with parents/carers and multi-agencies to ensure pupils' achievements are maximised and celebrated at every opportunity.

Engineers from [PTSG Electrical Services Ltd](#) will install a brand-new lightning protection system at the school, providing protection for both buildings and users alike in the event of an electrical storm.

PTSG is extremely active in the provision of lightning and surge protection, delivering bespoke and standard systems as well as test and inspection and maintenance services for clients in education as well as a wide range of other sectors. PTSG has 47 UK offices and its engineers work nationwide.
