

Zest Recycle becomes Gold Investor in Wildlife

3 years ago

Zest Recycle is delighted to announce that it has become a Gold Investor in Wildlife, Corporate Member for the Essex Wildlife Trust.

The Essex Wildlife Trust are the county's leading conservation charity, committed to protecting wildlife, inspiring a lifelong love of nature and tackling the current climate crisis.

The corporate membership scheme encourages businesses who are committed to making a positive contribution to the conservation of the environment, to come together to help Essex's people and wildlife.

Social value and reducing the environmental impact of our business operations are fundamental principles that sit at the heart of Zest Recycle's business model, so partnering with Essex Wildlife Trust to support its work and engage with other members to make a positive contribution, was a natural choice for Zest Recycle.

Grant Maton, Corporate Communications Officer, commented: "It was a pleasure to meet the Zest Recycle Team at Essex Wildlife Trust's Thorndon Country Park Nature Discovery Centre, Brentwood. We are really pleased to welcome them as a Gold Investor in Wildlife Corporate member, this financial support is vital in helping us achieve a wilder Essex and inspire people to have a lifelong love of nature. Additionally, Zest Recycle are an integral partner of our journeys for a sustainable future, helping businesses and charities with their waste management requirements and to work towards carbon reduction."

Tony McParland, Zest Recycle MD commented: "Being an active member of the community sits at the heart of true sustainability and delivering social value, so we are delighted to take another step forward in our approach to supporting and leading positive change in Essex. We are looking forward to working with

the trust and its partners over the coming months and years.”

Becoming a Gold Investor in Wildlife is the latest commitment in its journey to champion and support local initiatives having recently joined up and been appointed a board member of the Brentwood Environmental Business Alliance (BEBA).
