Sharon Guest, Executive Director of Housing Services, added: “We’re pleased to have appointed three new contractors to deliver our repairs and voids service from July.

“As an organisation, we recognised that we needed to reshape the way the repairs service is delivered to our customers in the longer term.

“We’ve listened to our customers, taken on board their feedback and put in a significant amount of work

into identifying three new contractors that share our vision and will help us to deliver the level of service that our customers and communities deserve.
