

OCS – Raising funds for charities and supporting communities

4 years ago

The Business & Industry division at OCS have co-ordinated a charity raffle to raise money to help its communities.

Colleagues presented three charities with donations. Mind, a mental health charity empowering people experiencing a mental health problem, were given £500 by Barry Knight, Regional Operations Manager.

Grace House North-East Children's Hospice, who provide short break and respite care for children and young people were presented with £300 by Julie Davies, Operations Manager and David Greenwood, Relief Manager.

The PSDA, who care for sick and injured pets were also presented with £200 by Tracy Hixson, Head of Project Portfolio. The PSDA's fundraising team said "These funds will go towards helping our vets treat the pets we see in our hospitals. The money you have donated will help pay towards 10 days' worth of oxygen, 5 life-saving drips and 5 full courses of antibiotics used during surgery at our 48 Pet Hospitals."

Tracy Hixson, Head of Project Portfolio at OCS says: "Here at OCS, we take great pride in living our values and demonstrating a long-term commitment to our colleagues, our customers, our communities, and our planet. Improving lives and supporting the communities in which we work are key social values to OCS."

OCS is a leader in the provision of facilities management services nationwide and colleagues place values of care, safety, trustworthy and expert at the heart of their day-to-day roles. We play an active role in local and national communities – learn more about how we support communities [here](#).
