

PTSG passes the test for Longhurst Group

3 years ago

[Premier Technical Services Group Ltd \(PTSG\)](#) has been contracted to deliver specialist electrical services for housing provider Longhurst Group.

Longhurst Group is a charitable housing association and one of the largest housing groups in the Midlands and east of England. It provides over 23,000 homes and delivers a wide range of care and support services.

Operating in 50 local authority areas, the group has over 1,100 colleagues, 10 office bases and over 80 care and support locations. It already makes a positive difference to thousands of people's lives, but in creating the 2025 Improving Lives strategy, it has in place a long-term business plan that will guide its work over for the foreseeable future.

Engineers from [PTSG Electrical Services Ltd](#) will be providing specialist electrical testing and remedial works at properties throughout the group's portfolio.

PTSG is a major provider of electrical compliance services in the UK. It employs some of the industry's most experienced and qualified specialists who can deliver a complete managed compliance service for clients, ensuring duty holders have full traceability of their electrical assets.
