

PTSG protects hospice in Crawley

3 years ago

[Premier Technical Services Group Ltd \(PTSG\)](#) is providing specialist electrical services for a hospice based in Crawley, West Sussex.

St Catherine's Hospice is a local charity that exists to help everyone face death informed, supported and pain-free in West Sussex and East Surrey. It also pioneers standards in end of life care through collaboration, research and training, reaching even more people facing death and bereavement. It was graded 'Outstanding' by the Care Quality Commission.

Engineers from [PTSG Electrical Services Ltd](#) will install a brand-new lightning protection system at the hospice, providing protection for both buildings and users alike in the event of an electrical storm.

PTSG is the UK's leading provider of lightning protection services. This includes bespoke and standard system installation, test and inspection and maintenance. It also encompasses surge protection and specialist earthing systems.
