

## PTSG to work with North Tyneside Council

3 years ago

[Premier Technical Services Group Ltd \(PTSG\)](#) has recently won a contract with North Tyneside Council to carry out electrical testing and remedial works in social housing properties.

North Tyneside Council is the local authority of North Tyneside in Tyne and Wear, England. It is a metropolitan district council, one of five in Tyne and Wear and one of 36 in the metropolitan counties of England, and provides the majority of local government services in North Tyneside. Since the first election to the council in 1973, political control of the council has changed a number of times but is currently held by Labour (since 2011).

Engineers from [PTSG Electrical Services Ltd](#) will be delivering electrical testing and remedial works in a number of social housing properties in North Tyneside to ensure they are safe and fully operational.

PTSG is one of the UK's leading providers of electrical testing and inspection. Its engineers work with a huge number of clients in a wide range of industry sectors. Not only do they deliver fixed wiring and portable appliance testing (PAT), they also carry out testing and inspections of lightning protection systems.
