

DMA delivering building maintenance to Infor

3 years ago

DMA Group is delighted to have secured the specialist technical services maintenance at Infor's Crawley location.

The multi-year agreement covers the planned and statutory compliance maintenance as well as a 24/7 emergency callout and repairs service.

Infor is a global leader in business cloud software products for companies in industry specific markets. Infor builds complete industry suites in the cloud and efficiently deploys technology that puts the user experience first, leverages data science, and integrates easily into existing systems.

Over 65,000 organisations worldwide rely on Infor to help overcome market disruptions and achieve business-wide digital transformation.

Powered by our expertise and our technology we're making buildings work better and changing the UK maintenance industry, for good.
