

## PTSG to deliver electrical services at London HQ

3 years ago

[Premier Technical Services Group Ltd \(PTSG\)](#) has been contracted to deliver specialist electrical services at the London headquarters of construction firm Jerram Falkus.

Jerram Falkus is an established, family-run construction business that has been operating in London and the South-East for more than 135 years. Its headquarters are in Shoreditch, East London.

The company employs approximately 100 full time staff and works with both the public and private sectors on projects with average values between £2m and £30m. It specialises in the following sectors: education, housing, healthcare, heritage and sport and leisure.

Engineers from [PTSG Electrical Services Ltd](#) will install a brand-new lightning protection system at the headquarters, providing protection for both buildings and users alike in the event of an electrical storm.

PTSG is the UK's leading provider of lightning protection services. This includes bespoke and standard system installation, test and inspection and maintenance. It also encompasses surge protection and specialist earthing systems.
