

Jaguar win M&E contract at The Point

3 years ago

Following a competitive tender process, Jaguar has been appointed by Tishman Speyer as the preferred M&E contractors at The Point, Paddington.

The building, located in W2, comprises 230,000 sq. ft of office space over 10 storeys and is conveniently located just two minutes' walk away from Paddington Station.

Rob Clark, Account Manager commented: "We are delighted to be working with Tishman Speyer at this stunning high end office building. It is a fantastic addition to Jaguar's portfolio, and we look forward to providing a tailored M&E solution that works for our customer."

The site is currently undergoing a full mobilisation which will be completed within the next few months.
