

PTSG provides specialist services at dental hospital

4 years ago

HCS Water Treatment, part of [PTSG Water Treatment Ltd](#), has been contracted to deliver specialist water treatment services at Dundee Dental Hospital.

Dundee Dental Hospital and School is one of only four dental hospitals in Scotland and is home to the University of Dundee's School of Dentistry. Service provision, education and research form key components, with consultant-led dental specialties providing treatment for around 61,000 attendances each year, together with undergraduate and postgraduate training for dental students, dental nurses, dental technicians, dental hygienists and therapists.

Engineers from HCS will provide specialist servicing of the chlorine dioxide system at the dental hospital.

HCS is a premium provider of Legionella control and management of water systems; our team delivers services for customers in all industry sectors.

PTSG Water Treatment Ltd is one of five divisions within [Premier Technical Services Group Ltd \(PTSG\)](#) – the others being [PTSG Access & Safety Ltd](#), [PTSG Electrical Services Ltd](#), [PTSG Building Access Specialists Ltd](#) and [PTSG Fire Solutions Ltd](#). Together, they deliver the full range of specialist services to the construction and FM sectors.
