

PTSG supports Scottish Parliament

3 years ago

HCS Water Treatment, part of [PTSG Water Treatment Ltd](#), has secured a contract to provide a variety of water treatment services to Scottish Parliament.

The Scottish Parliament is the devolved, unicameral legislature of Scotland. It is frequently referred to by the metonym Holyrood as, since September 2014, the official home of the Scottish Parliament has been a new Scottish Parliament Building in the Holyrood area of Edinburgh. The building was designed by Spanish architect Enric Miralles in partnership with local Edinburgh Architecture firm RMJM which was led by Design Principal Tony Kettle.

HCS is a premium provider of Legionella control and management of water systems; our team delivers services for customers in all industry sectors.

PTSG Water Treatment Ltd is one of five divisions within [Premier Technical Services Group Ltd \(PTSG\)](#) – the others being [PTSG Access & Safety Ltd](#), [PTSG Electrical Services Ltd](#), [PTSG Building Access Specialists Ltd](#) and [PTSG Fire Solutions Ltd](#). Together, they deliver the full range of specialist services to the construction and FM sectors.
