

Bouygues Energies & Services commences partnership with JCDecaux in the UK

4 years ago

Bouygues Energies & Services (Bouygues E&S) is very proud to announce its new partnership with JCDecaux UK, the world's largest out-of-home advertising company.

The Total FM contract includes the facilities management of JCDecaux's prestigious Paddington head office and their iconic building in Brentford. The partnership also extends to the smart cities of the future and supporting JCDecaux UK's net zero ambitions.

After a 4-week mobilisation, delivery of services commenced on 1st April 2022 at both locations ensuring a smooth transition of activities across the contract. Bouygues E&S are delighted to welcome 23 team members from four organisations to the Bouygues family.

Emmanuel Chautemps, Executive Director at Bouygues E&S said: "We are delighted to have started our journey with JCDecaux whose out-of-home advertising reaches audiences in over 80 countries. This is the start of a long relationship with a key player in the cities of the future. I want to thank our team that has worked so hard to ensure we successfully start on site, just 4 weeks from award."

James Thomas, Chief Technical Operations Officer at JCDecaux said: "JCDecaux UK are very excited to have partnered with Bouygues E&S for the facilities management of our head offices in London. Bouygues have a wealth of experience in this field and will surely bring a great value in ensuring our buildings are maintained to the highest standard for many years to come".
