

Eric Wright flies the flag for PTSG

3 years ago

[Premier Technical Services Group Ltd \(PTSG\)](#) has completed a specialist project for Eric Wright Group, an award-winning leader in the UK property and construction industries.

The Eric Wright Group demonstrates a culture of excellence in civil engineering, construction, facilities management, property development, property management and health and care that has led to long-term relationships with its partners and clients. The Group comprises a number of distinct companies and subsidiaries, each with its own specialist staff and a defined focus. It is headquartered in Preston, with further offices in Bromsgrove, Bradford and Dumfries.

Engineers from [PTSG Building Access Specialists Ltd](#) recently completed a job to install flag poles at the group's headquarters, in time for the jubilee celebrations. The work received strong praise from the client, and the two companies are now in talks for further specialist services projects.

PTSG Building Access Specialists Ltd are at-height specialists, whose operatives perform a variety of installations and repairs, decorations, high-level cleaning as well as surveys. They commonly use rope access in their work, which is considered to be the safest and most efficient method for access building exteriors, allowing operatives to cover all areas quickly and safely.
