

PTSG to shore up new Essex community development

3 years ago

[Premier Technical Services Group Ltd \(PTSG\)](#) has been awarded a contract to deliver specialist electrical services at a new neighbourhood in Chelmsford, Essex.

Beaulieu is a vibrant new district offering inspirational architecture and landscape. It has its own unique identity inspired by its rich heritage, offering premium housing and exemplary community facilities. Set around the majestic New Hall School, formerly King Henry VIII's Tudor palace, and its estate parkland, the development is conceived as a series of individually designed neighbourhoods that connect to the wider landscape and countryside.

Engineers from [PTSG Electrical Services Ltd](#) will deliver a new lightning protection system at Beaulieu. This will safeguard the development and its users in the event of an electrical storm.

PTSG is the UK's leading provider of lightning protection services. This includes bespoke and standard system installation, test and inspection and maintenance. It also encompasses surge protection and specialist earthing systems. PTSG's constituent company, JW Gray, is believed to be the oldest trading provider of lightning protection services in the UK and possibly Europe.
