

Ward selected as security partner for signature asset in Cannon Street, London

3 years ago

Following a comprehensive selection process, Ward has been selected as the security partner at a signature asset located at Cannon Street in the heart of the City of London.

The contract includes the delivery of security, control room and front of house services.

Julian Roche, Strategic Relationship Director, commented: "I am delighted to welcome twenty-one new colleagues and ensure they have a smooth transition into the extended Ward family.

"Being located close to a major transport hub and other high-risk buildings, we look forward to working closely with the security, building management and service partner teams to provide a welcoming, safe and enjoyable place to work."
