

FM Director – Our forward features for 2022

4 years ago

After [Dennis Flower's announcement of the launch of our new FM Director magazine on Monday 8th August 2022](#), we are delighted to announce our forward features in each publication up to the end of the year.

This is a significant opportunity to provide thought leadership for the subjects we have outlined – celebrating the wide levels of knowledge and insight across the facilities management sector.

These features will be further complemented by interviews with leading industry personnel, case studies, special features and supplements within each issue.

SEPTEMBER – Deadline for comment: 2 September

Net Zero Carbon Emissions

How will net zero impact on the FM industry?

Return to the workplace

What is the best method of hybrid working?

OCTOBER – Deadline for comment: 3 October

CAFM systems

How will CAFM systems advance to assist FM delivery?

Cleaning

Are cleaning providers becoming more environmentally friendly?

NOVEMBER – Deadline for comment: 2 November

Waste management

Is managing waste the starting point of sustainable business practice?

Legislation updates

What are the latest updates and how will they impact FM?

DECEMBER – Deadline for comment: 22 November

Sustainability

Which areas are most important for sustainable FM operations?

Technology-led FM delivery

How is technology changing FM service provision?

GUIDELINES FOR ALL FEATURE CONTRIBUTIONS:

Please provide up to 300 words of comment in answer to the question for the feature in question, avoiding mention of company names and products, while including the name, job title and company name for those providing the comment so we can credit them for their efforts.

HOW DO I GET INVOLVED?

You can get involved by emailing Dennis on dennis@fmbusinessdaily.com with your intention to provide an opinion piece.
