

PTSG delivers access systems at stylish Staines homes

3 years ago

[Premier Technical Services Group Ltd \(PTSG\)](#) has been contracted to deliver specialist Access & Safety services at a new Thames-side town.

Eden Grove is a new residential quarter in Staines-upon-Thames. A stylish collection of new build apartments, located close to the town's train station, town centre and River Thames.

A home at Eden Grove includes a 24-hour concierge service, as well as access to residents' facilities including a gym, cycle studio, cinema room, co-working space and gated underground parking.

Engineers from [PTSG Access & Safety Ltd](#) will be delivering rope access and fall arrest equipment to facilitate safe access for operatives to carry out a variety of maintenance to the façade of buildings.

PTSG is one of the industry's leading suppliers of specialist safety equipment and services for the construction and FM sectors.
