

PTSG to work at historic Trades Hall

3 years ago

HCS Water Treatment Ltd, part of [PTSG Water Treatment Ltd](#), has been contracted to deliver a variety of water treatment services at Trades Hall, Glasgow.

Located in Glasgow's Merchant City, Trades Hall is a stunningly beautiful, historic venue. Completed in 1794 it holds up to 250 guests.

It is home to The Trades House of Glasgow, established in 1605 and now a registered charity (SC040548), giving support to the people of the city. All income arising from events held within the building is therefore used to support charitable purposes.

HCS is a premium provider of Legionella control and management of water systems; its large and growing team delivers services for customers in all industry sectors.

PTSG Water Treatment Ltd is one of five divisions within Premier Technical Services Group Ltd (PTSG) – the others being [PTSG Access & Safety Ltd](#), [PTSG Electrical Services Ltd](#), [PTSG Building Access Specialists Ltd](#) and [PTSG Fire Solutions Ltd](#). Together, they deliver the full range of specialist services to the construction and FM sectors.
