

Pareto FM Win Top Prize at Signature Awards

3 years ago

[Pareto FM](#) has won 'Business of the Year' at the prestigious Signature Awards. The accolade recognises the best over all organisation across the awards with the judging criteria encompassing several areas of business.

The event held at the Hilton Park Lane was attended by over 500 guests with representation from legal, financial and social enterprise sectors. Other winners on the night included leading organisations such as Barclays. Event sponsors included Investec and Cobra Beer.

The award presented by Ninder Johal DL; CEO of the awarding organisation commented on the night. "This is a business that encapsulates everything you have heard this evening. They have been innovative; they have an international focus, and they are driven by a brilliant entrepreneur".

Andrew Hulbert, Pareto FM CEO, commented "This is one of the absolute highlights of the FM journey for Pareto. We were so excited to even be nominated for a Signature Award but to come away with the top award on the night is just incredible. We are so humbled and so grateful for the generosity of the judges and everyone that continues to support Pareto. This once again highlights the importance of the FM industry outside of the mainline awards and shows the power than FM can have on the UK economy. We are incredibly grateful to the award organisers and look forward to working with them further in the future to help promote the awards to the wider FM sector".

Pareto FM is a service focused, customer centric, facilities management company based in the UK.

It operates with an entirely flexible model that allows it to build a service solution around each organisation it partners with. Pareto's high client engagement model ensures engaged and proactive

account management, and its teams are formed of professionals qualified to the highest levels within FM.

As one of the top 50 fastest growing companies in the UK, it applies intellect and intuition to its service offering. Pareto embraces technology and innovation at every opportunity, to deliver exceptional service to those who choose to partner with it.
