

Platinum Facilities wins at Sea Containers

3 years ago

Platinum Facilities, the technology-led hard FM service provider, has announced that it has been awarded a three year contract to deliver the M&E maintenance services for Yorke Property Management Ltd at the prestigious Sea Containers property in London.

Sea Containers is located in a prominent position on South Bank of the River Thames and is a mixed-use building, incorporating striking office spaces and a luxury boutique hotel.

Platinum Facilities was awarded the contract following a competitive tender process and will be utilising its in-house technology and energy expertise to support Sea Containers' key objectives.

Paul Goodchild, Deputy Managing Director Platinum Facilities commented: "Sea Containers is an iconic site in the heart of London and provides us with a fantastic opportunity to showcase our service delivery. I am personally looking forward to getting involved with our account management team and to working in partnership with Yorke Property Management Ltd."
