

PTSG lands contract with James Fisher Offshore Ltd

3 years ago

[Premier Technical Services Group Ltd \(PTSG\)](#), via constituent company HCS, has been awarded a new contract to support James Fisher Offshore, Aberdeen with a variety of Water Treatment Services.

James Fisher Offshore is an international supplier of marine back deck, specialist subsea equipment and engineering services supporting the global subsea contractors across multiple industry segments, including:

- Decommissioning
- Construction
- Inspection Repair and Maintenance
- Drilling

HCS is a premium provider of Legionella control and management of water systems; its team delivers water treatment services for customers in all industry sectors.

HCS operates part of PTSG Water Treatment Ltd, one of five independent divisions of PTSG. The other divisions are being PTSG Access & Safety Ltd, PTSG Electrical Services Ltd, PTSG Building Access Specialists Ltd and PTSG Fire Solutions Ltd. Together, they deliver the full range of specialist services to the construction and FM sectors.
