

PTSG takes up residence at Liverpool Hilton

3 years ago

[Premier Technical Services Group \(PTSG\)](#) has been contracted to deliver specialist electrical services at the Hampton by Hilton hotel in Liverpool.

Hampton by Hilton, formerly known as Hampton Inn, is an American chain of hotels trademarked by Hilton Worldwide. The Hampton hotel brand is a chain of moderately priced, budget to midscale limited-service hotels with limited food and beverage facilities.

The Hampton by Hilton in Liverpool is a five-minute walk from The Beatles Story and Tate Liverpool gallery at Albert Dock, moments from the Museum of Liverpool. Liverpool Cathedral's gothic architecture and shopping at Liverpool ONE mall are within a mile.

Engineers from [PTSG Electrical Services Ltd](#) are carrying out repairs to the lightning protection system in place at the hotel. This will ensure the system continues to be compliant with regulations and fully able to protect the facility and all residents and staff.

PTSG Electrical Services Ltd is the UK's leading supplier of lightning and surge protection services. Its engineers deliver new systems and equipment, testing and inspection, upgrades and maintenance for clients in all industry sectors.
