Bidvest Noonan has announced its appointment of Jenny Jones as Director of Operations in its Facilities Solutions business unit.

With more than 20 years of industry experience under her belt, Jones is highly accomplished and brings extensive operations leadership experience across multiple sectors to her new role.

Bidvest Noonan's Facilities Solutions business unit provides cleaning and support services nationwide across the UK. The business unit has an impressive portfolio of customers that includes market leading businesses in the Pharmaceutical, Food, Automotive, Leisure, Retail and Corporate sectors.

Jones' appointment comes at a time when Bidvest Noonan has experienced significant growth. Jones' vast experience and knowledge will be invaluable in helping the company to continue growing and deliver exceptional value and service to customers.

Jenny Jones said: "I am delighted to have joined Bidvest Noonan at such an exciting time for the company. I joined Bidvest Noonan because it is an innovative and customer-centric business that puts people first. I am looking forward to working with my colleagues to continue delivering great service and value to our customers and to driving improvements for them."

Jennifer Littlewood, Managing Director of Bidvest Noonan's Facilities Solutions business unit, said: "I am confident that Jenny will be highly successful at Bidvest Noonan. With her wealth of experience and industry knowledge, she will be a valuable asset to our team. Jenny has an impressive ability to deliver

results that clients want to see.”
