

## Walkers wins with Toomey Motor Group

4 years ago

Walkers, the cleaning and support services company, has announced that it has been awarded a 3 year contract to deliver cleaning and support services to Toomey Motor Group.

Walkers will be providing services to a portfolio of 19 sites in Essex including car dealerships, petrol stations, offices, and a care home.

The contract includes daily cleaning, window cleaning, pressure washing, general maintenance and waste removal, and was awarded following a competitive tender process. A dedicated supervisor will oversee the cleaning teams and on-site reach and wash systems are being used to clean windows, cladding and signage.

Lee Walkers, Managing Director at Walkers said: “We are delighted to have been awarded this contract, which reflects both companies focus on high standards of service and our common values. Toomey Motor Group and Walkers are both long established family run businesses, and we will be using our robust processes to audit and maintain the highest quality standards.”
