

Walsgrave Hospital receives specialist treatment from PTSG

3 years ago

Premier Technical Services Group (PTSG), via constituent company HCS Water Treatment Ltd, is to support Walsgrave Hospital with a variety of water treatment services.

University Hospital Coventry is a large National Health Service hospital situated in the Walsgrave on Sowe area of Coventry, West Midlands, England, 4 miles north-east of the city centre. It is part of the University Hospitals Coventry and Warwickshire NHS Trust and is the main hospital covering Coventry and Rugby.

HCS is a premium provider of Legionella control and management of water systems; the company became part of PTSG Water Treatment Ltd in 2021 and has since gone from strength to strength.

PTSG's other divisions are PTSG Access & Safety Ltd, PTSG Electrical Services Ltd, PTSG Building Access Specialists Ltd and PTSG Fire Solutions Ltd. Together, they deliver the full range of specialist services to the construction and FM sectors.
