

Double win for Zest Recycle at Awards

4 years ago

[Zest Recycle](#) in collaboration with Blackrose Pubs and Whistl UK Ltd, has swept up a Golden Apple and a Bronze Apple at the Green Apple Environment Awards.

This prestigious award celebrates environmental innovations internationally. To win not one, but two is an amazing testament to the ability and commitment of Zest Recycle in improving environmental best practice in the waste management industry.

Launched in 1994, The Green Apple Environmental Awards are imperative to The Green Organisation's goals to celebrate environmental excellence around the world. The Green Organisation is an independent, non-profit, non-political group purely dedicated to this cause.

The team at Zest Recycle are thrilled to be recognised for their efforts and would like to congratulate and thank Blackrose and Whistl for collaborating with them in this journey.
