

Momentum Group secures contract to deliver Gravity Active Entertainment

3 years ago

The Momentum Group has been appointed to deliver Gravity's biggest venue in the UK. The 100,000 sq ft space in the former Debenhams unit in Liverpool is being transformed into the largest multi-purpose entertainment venue in the UK.

Bringing together 11 unique immersive experiences all under one roof, [The Momentum Group](#) is responsible for the fit out and delivery of the 100,000 sq ft space creating an immersive visitor experience with e-karting, bowling, street golf and digital darts amongst a raft of other experiences, including hospitality and food and drink.

Commenting on behalf of [Gravity](#), Gareth Buxton said 'The experience, attention to detail and local knowledge that The Momentum Group brings is what we needed for this ambitious project. Their flexible approach to the project, network of suppliers and contacts is what makes them unique.' He went on to say, 'There is a growing demand for visitor immersive experiences and this project, will bring together a number of complex entertainment units to deliver the revolutionary concept.'

[Chris Renshaw](#), Co-Founder and Director at The Momentum Group said 'The demand for leisure experiences and pursuits is increasing and we are thrilled to have been appointed to deliver this project. The project is vast and Gravity's largest in the UK. We are delighted to be able to showcase our services and partnership working with the team at Gravity.'

Work is underway with Gravity due to open in the new year.
