

PTSG completes project for international vehicle group

3 years ago

[Premier Technical Services Group Ltd \(PTSG\)](#) has completed a specialist electrical services project for Belron International, a vehicle glass repair and replacement group operating worldwide across 34 countries.

Headquartered in Egham, Surrey, Belron's brands include Autoglass and Autoglass bodyrepair in the United Kingdom, Republic of Ireland and Poland, Carglass in most of Europe, Safelite in the United States, O'Brien in Australia, Smith & Smith in New Zealand and Lebeau and Speedy Glass in Canada.

Engineers from [PTSG Electrical Services Ltd](#) recently completed repairs to the lightning protection system for Belron International. This ensures it complies with industry standards and is fully operational for the next year to protect structures and all users.

PTSG is relied upon to design, install, test, inspect and maintain lightning and surge protection systems at buildings and structures of all kinds throughout the UK in sectors as diverse as healthcare, education, retail, aviation and defence, public sector and government and industry.
