

PTSG lands contract with “Build a Rocket Boy”

2 years ago

[Premier Technical Services Group Ltd \(PTSG\)](#), via constituent company HCS, has been awarded a contract to support “Build a Rocket Boy” with a variety of water treatment services.

Build A Rocket Boy is an independent game developer, headquartered in Edinburgh, with operations in Budapest Hungary, the Netherlands, France, and California USA. Led by game developer Leslie Benzies, Build A Rocket Boy’s team includes hundreds of the industry’s brightest development talents with the shared vision to create new and innovative entertainment experiences. Build A Rocket Boy’s first project is a new multi-world game experience that blurs the line between reality and the digital world.

Engineers from HCS will be delivering a variety of services to ensure the water systems at the Edinburgh headquarters remain safe and clean.

HCS is part of [PTSG Water Treatment Ltd](#), one of five independent divisions of PTSG. The other divisions are PTSG Access & Safety Ltd, PTSG Electrical Services Ltd, PTSG Building Access Specialists Ltd and PTSG Fire Solutions Ltd. Together, they deliver the full range of specialist services to the construction and FM sectors.
