

PTSG makes special appearance for Louis Vuitton

3 years ago

[Premier Technical Services Group Ltd \(PTSG\)](#) has completed a specialist Access & Safety project at the Louis Vuitton store in New Bond St, London

Since 1854, Louis Vuitton has brought unique designs to the world, combining innovation with style, always aiming for the finest quality. The three-storey New Bond Street store houses womenswear and menswear, as well as the hugely popular leather goods, jewellery, watches, shoes and accessories.

Fans of the brand include Gwyneth Paltrow and Elle McPherson who made an appearance at the store's glittering opening in 2010.

Engineers from PTSD Access & Safety Ltd carried out a bespoke installation of coloured anchorage points for the store, enabling staff to affix their 2022 Christmas display.

[PTSG Access & Safety Ltd](#) is the original division of PTSD, delivering all types of equipment that allow engineers to safely access all areas of every kind of building to carry out specialist services – from the testing and certification of roof anchor points to the world's largest building maintenance units. It also provides rescue equipment and training services for clients.
