

PTSG to provide specialist treatment at Edinburgh offices

3 years ago

[Premier Technical Services Group Ltd \(PTSG\)](#), via constituent company HCS, has been awarded a new contract to support Birch House, Edinburgh with a variety of water treatment services.

Birch House , situated in Bankhead Crossway South, on the west side of Edinburgh, offers a number of high-specification offices for businesses. Features include:

- Full raised access floors
- Atrium style entrance foyer
- CAT 2 motion sensitive lights
- Tea prep areas and shower facilities
- Landscaped site

The offices are close to the city bypass, M8 and airport.

Engineers from HCS have been contracted to deliver a variety of services to ensure the water systems at the office development remain safe and clean.

HCS is part of [PTSG Water Treatment Ltd](#), one of five independent divisions of PTSG. The other divisions are being PTSG Access & Safety Ltd, PTSG Electrical Services Ltd, PTSG Building Access Specialists Ltd and PTSG Fire Solutions Ltd. Together, they deliver the full range of specialist services to the construction and FM sectors.
