

PTSG works with Denbighshire County Council

4 years ago

[Premier Technical Services Group Ltd \(PTSG\)](#), via constituent company TEC (Total Environmental Compliance), has been awarded a contract to deliver Water Treatment Services for Denbighshire County Council.

Denbighshire County Council is a large public sector organisation, employing approximately 4,200 people and supporting 94,000 residents. It provides the community with essential services, and is one of the largest employers in the county. The council is located in a beautiful part of North Wales, with a mix of scenic coastline, busy shopping opportunities, and historic towns and villages set against the backdrop of the Clwydian Range and Dee Valley Area of Outstanding Natural Beauty.

In this contract, TEC is providing a range of services including: water monitoring works, legionella risks assessments, tank clean and disinfections, maintenance and/or replacements of TMVs, and more.

TEC is part of [PTSG Water Treatment Ltd](#), one of five independent divisions of PTSG. The other divisions are PTSG Access & Safety Ltd, PTSG Electrical Services Ltd, PTSG Building Access Specialists Ltd and PTSG Fire Solutions Ltd. Together, they deliver the full range of specialist services to the construction and FM sectors.
