ISS is delighted to announce that Kat Parsons, Head of Diversity, Inclusion and Belonging for ISS UK and Ireland, has been listed among WiHTL's Women to Watch & Role Models for Inclusion, Hospitality, Travel & Leisure Index 2022, produced by WiHTL in partnership with the MBS Group.

In the past year, Kat has been recognised as a winner and finalist of such industry accolades as the RoSPA Inspiring Women in Health and Safety Awards and BESA National Diversity and Inclusion Initiative Award 2022, owing to her development of ISS's innovative Menopause Awareness Project. This latest listing demonstrates her continued focus on inclusivity, openness and honesty within the workplace.

Kat Parsons said: "It is a real honour to be part of this list, alongside other fantastic women in this space, for the first time. It has been an incredible journey since I shifted my career path to the D&I space and I look forward to working closer with WiHTL, championing a more diverse industry."
