

Jaguar Retains M&E contract at The Heron

3 years ago

Following an official re-tender process, [Jaguar Building Services](#) is pleased to announce that it successfully retained its M&E contract at The Heron.

Having first obtained the account in 2013, Jaguar has a long-standing history with the building. This spectacular residential property is home to some of the most luxurious apartments in the city, and is located a stone's throw away from Moorgate underground station. The Heron also has its own private club, lounge, garden terrace, and resident's bar.

Account Manager, Lee Walker commented: "I am looking forward to working with the team and our client at The Heron to ensure we continue to maintain this high-end property with our utmost care and attention. We are delighted to have retained this property for 9 years, and our service length is a true testament to our onsite team and wider management departments."
