

PTSG at home on new Southern Counties development

4 years ago

[Premier Technical Services Group Ltd \(PTSG\)](#) has completed an Access & Safety project for Berkeley Homes in the Southern Counties (East).

Berkeley Group Holdings plc was founded in 1976 as Berkeley Homes. Based in Cobham, Surrey, it is listed on the London Stock Exchange and is a constituent of the FTSE 100 Index. The 1990s was the decade in which Berkeley moved its operational orientation to major urban regeneration sites in London, Birmingham, Manchester, and other northern cities. In the early 2000s, Berkeley refined its strategy to concentrate primarily on relatively large scale urban redevelopments in the London area.

Engineers from [PTSG Access & Safety Ltd](#) recently completed a project to install the Mansafe system to Phase 3 of a new development of apartments in Tunbridge Wells, Kent.

PTSG Access & Safety Ltd. is the original business division of Premier Technical Services Group Ltd (PTSG). We are the UK's leading installer of fall protection products, delivering solutions for customers in all kinds of industry sectors. Our experienced and highly qualified engineers deliver the full range of fall arrest equipment. We work with other key elements in the supply chain to design access strategies for new build projects, refurbishments, retrofits and heritage buildings.
