

PTSG spells success for Spelthorne Borough Council

3 years ago

[Premier Technical Services Group Ltd](#), via constituent company Total Environmental Compliance (TEC), has entered into a contract to deliver specialist water hygiene services for Spelthorne Borough Council.

Spelthorne Borough Council is the local authority for the Surrey towns of Staines-upon-Thames, Sunbury-on-Thames and Ashford and the villages of Stanwell, Stanwell Moor, Shepperton, Charlton, Littleton and Haleham. Spelthorne has an excellent location immediately to the south of Heathrow and adjacent to the River Thames in the economically buoyant area to the west of London. The Borough has exceptional communication links, supporting a strong economy and many successful international businesses.

Engineers from [PTSG Water Treatment Ltd](#) will be supplying water hygiene expertise to ensure the council complies with recommendations stated in ACoP L8. Typical water hygiene activities PTSG undertakes include but are not limited to:

- Descaling/Cleaning/Disinfection of Storage tanks, Cooling tower, Showerhead, Calorifier etc.
- Hot and Cold Water System Disinfection
- Tank Refurbishments and Upgrades to 'Byelaw 30'
- Water Quality Testing
