

New office location for Mountjoy Portsmouth Base

3 years ago

[Mountjoy](#) has announced a new location for its registered office and Portsmouth base: Fairfield House.

Following the end of the lease on its previous Mountbatten Business Park site, the company was looking for a new location in Portsmouth to serve as the headquarters for the business, and Fairfield House located in North End, Portsmouth, was chosen.

Located just a short distance from Portsmouth City Centre, the new office will be a hub for all staff previously based in Farlington. Key travel routes are easily accessible from the office, making it an ideal base for operatives to swiftly attend jobs around the city, and further afield.

The move was completed over the weekend of the 20th – 22nd January, with its main company server and 80 staff moving with no incident.

For any future business enquiries, the office is located at Fairfield House, Kingston Crescent, North End, Portsmouth, PO2 8AA.
