

PTSG ensures compliance is on the menu

2 years ago

[Premier Technical Services Group Ltd \(PTSG\)](#) has completed a specialist electrical services contract at the Somerset branch of upmarket ready meals maker Charlie Bigham.

Inspired by his travels and love of cooking, Charlie Bigham set up shop back in 1996 with the sole aim of creating really delicious dishes for foodies – putting in all the care and attention that you would if you were to cook them yourself. Using top quality ingredients, his goal was to help people steal back some quality time by doing all the dinner prep for them.

Bighams makes its products in kitchens in London and Wells, Somerset. Engineers from [PTSG Electrical Services Ltd](#) have been to the site in Somerset, where they carried out repairs to the lightning protection system. These repairs were necessary to ensure it meets the latest industry standards and is fully safe and operational to protect the structure and all users.

PTSG is the UK's leading provider of lightning protection services. Its engineers are at work throughout the nation, delivering test and inspection, repairs, upgrades and brand-new bespoke or off-the-shelf lightning and surge protection systems. PTSG serves clients in all industry sectors.
