

## PTSG to work at Scottish Government headquarters

3 years ago

[Premier Technical Services Group Ltd \(PTSG\)](#), via constituent company HCS Water Treatment Ltd, is to deliver specialist [water treatment](#) services at Saughton House in Edinburgh.

HCS's water treatment engineers will support main contractor Mitie with a variety of services at Saughton House - a complex of offices in Broomhouse Drive, about four miles to the west of the centre of Edinburgh. It houses the Scottish Government, Scottish Courts Service and a number of other Government offices.

Saughton House comprises blocks of offices, all two storeys high, on either side of a central entrance. It has been suggested that it may have been built post-World War II, as an emergency hospital.

Through its comprehensive provision of water hygiene, water treatment and remedial services, PTSG is a trusted partner for clients in all industry sectors. Its services ensure the safe management of water systems, with protection from Legionella and compliance with the necessary regulations. Its focus is on reliability and sustainability and saving companies time and money.
