

PTSG to work with Emtec Group in Scotland

3 years ago

Premier Technical Services Group Ltd (PTSG), via constituent company HCS Water Treatment Ltd, has entered a contract to support the Facility Services division of Emtec Group.

The division maintains the hard services standards and compliance of its customers' buildings long after practical completion. The long-term, effective planned preventative and 24-hour reactive maintenance service is delivered nationally.

Emtec Group is a leading contractor in the building services sector providing professional, quality and cost-efficient services throughout the UK. Via our group companies, we provide our clients with a full building services solution.

HCS's water treatment specialists will deliver a variety of services for Emtec's Facility Services division at Orchard Brae, Edinburgh.

HCS is part of PTSG Water Treatment Ltd, one of five independent divisions of PTSG. The other divisions are PTSG Access & Safety Ltd, PTSG Electrical Services Ltd, PTSG Building Access Specialists Ltd and PTSG Fire Solutions Ltd. Together, they deliver the full range of specialist services to the construction and FM sectors.
