

# Registration now open for Facilities Show 2023

3 years ago

Registration is now open for Europe's richest and most extensive range of facilities management solutions and expertise.

Facilities Show is back at the ExCeL in London on 16-18 May 2023. [Free tickets are available here.](#)

Get inspired and remain at the forefront of industry knowledge, through educational seminars set to cover key topics such as the roadmap to net zero, ESG in FM, smart workplaces, and much more.

Many leading brands are already signed up to showcase the latest and most exciting FM innovation, including the likes of Planon Limited, Matrix Booking, A.J Products, Alpaca Global Solutions, BigChange Limited, Your Workspace, Outco, Bradshaw Electric Vehicles, Infraspark, Ground Control.

Event director, Gerry Dunphy, said: "Changes to how we live and work have contributed to a shift in what people expect from the workplace. As innovative technology pushes the boundaries of what real estate can deliver, the role of FM has grown considerably. Facilities Show remains the number one annual opportunity for FMs to get together and keep up, examine the latest, most exciting products and services from leading suppliers.

"This year, I am especially excited about our sustainability initiatives, driving real change within both the events and facilities management industries, as well as the new Elizabeth Line which will make it easier, faster and more convenient than ever to get there. A game-changer for our show."

Registration is now open! [Get your free ticket today.](#)
